Abstract Submission Guidelines

1st Altitude Summit | St. Moritz, Switzerland | 6-9 July 2027

SUBMISSION THROUGH UNIL ONLY

Abstracts must be submitted exclusively through the University of Lausanne (UNIL) online platform. **Do not send abstracts, manuscripts or supporting files by email.** Email submissions will not be accepted.

https://conferences.unil.ch/altitudesummit2027

1. Important dates

25 February 2027 Abstract submission and modification deadline

25 March 2027 - Notification of acceptance (no later than this date)

30 May 2027 - Presenting author conference registration deadline

6 July 2027 - Oral presentations and poster session

All deadlines refer to Swiss local time.

2. Abstract preparation and submission rules

• **Language:** English.

• **Length:** Maximum 300 words, excluding title, author names and affiliations.

• **Required structure:** Background/Objectives, Methods, Results and Conclusions.

• **Submission limit:** One abstract per first author. An author may be a co-author on multiple submissions.

• **Presenting author:** Must be identified during submission.

• **Originality:** Original scientific research relevant to altitude, hypoxia, exercise physiology, sports medicine and human performance.

• **Modifications:** Edit directly on the UNIL platform until 25 February 2027 No modifications will be accepted after this date.

3. Scientific review and selection

All abstracts will be reviewed by the Summit Scientific Committee for scientific quality, originality, methodological rigour, clarity and relevance. The Scientific Committee determines the final oral or poster presentation format. Selected contributions will be presented on Tuesday, 6 July 2027.

4. Presentation formats

Oral: 10-minute presentation followed by 2 minutes for questions and discussion, on Tuesday, 6 July 2027.

Poster: A0 portrait (84.1 x 118.9 cm), on Tuesday, 6 July 2027. Installation and presentation instructions will be communicated to accepted authors.

5. Young Investigators Award

Awards for the Best Oral Presentation and Best Poster Presentation. Eligible presenting authors must not yet hold a PhD or must have obtained their PhD **after 6 July 2026**. Evaluation considers scientific quality, originality, clarity and discussion.

6. Conference registration

Abstract submission does not constitute conference registration. Conference registration does not guarantee abstract acceptance. Presenting authors of accepted abstracts must register separately for the conference by **30 May 2027**. Acceptance does not automatically waive registration fees.

7. Submission platform and enquiries

Submit and modify abstracts exclusively on the UNIL platform:
https://conferences.unil.ch/altitudesummit2027

Do not email abstracts or attachments. Submissions sent by email will not be considered.

For questions only (not submissions): info@altitudesummit.ch
